# IMPACT OF YOUR INVESTMENT

**Donovan Rose** serves our country as a staff sergeant in the Army and he also serves our local community as a Court Appointed Special Advocate volunteer. Donovan is an advocate for **Nate**, a 17-year-old boy who has been bounced around the child welfare system since age two. Donovan's commitment showed Nate how adults are trustworthy and he isn't to blame for what happened to him.

*“It’s important for these kids to have one constant person thinking of them. These kids are our tomorrow. I’m so grateful to make a difference for them.”*

**Kyle and Hope Forti** make a great husband and wife CASA team. Together, they shared duties advocating for a sibling group removed from an abusive home and placed in separate foster homes. They fought for what was best for the children and stood with them until they found a safe and permanent home.

*“These kids absolutely need us and we can’t imagine a volunteer opportunity with more direct positive impact for every hour spent.”*
