The Journey's Workshop

The Journey's Workshop is a 6-week open-forum discussion group for ADULT and TEEN peer support members of our LGBTQ community.

Journey's was created to assist supportive members of the community in the establishment of a starting point within their journey to:

- ask questions
- expanded knowledge
- explore options
- obtain resources
- connect with others in a small group setting.

We would love to see people benefit from the

information they have received from their experience.

We will expand workshop options as people let us know what they would like to hear about.

Please let us know what subjects you are interested in and we will see about developing the "journey" further for our community.

Who may attend:

Grandparents, Relatives, Parents, Co-workers, Friends, Neighbors and/or various other adult supportive community members

- **6 Sessions are planned to encourage discussion**
- **The workshop setting is small and limited to up to 8 people per workshop**
- **Everyone who participates receives a FREE educational/informational packet**
- **Please help us cover basic costs by providing a \$5 or \$10 donation. Thank you.**
